## March 2018

### PE SESSIONS

You should all be aware that the Butterflies have started their PE sessions – each week, we will lead short PE sessions to help encourage the children to dress and undress themselves in preparation for school which will be here before we know it!

Please provide a pair of comfortable clothes and shoes for your child to wear during these sessions.

For all of the PE dates and times, please check the parent board outside the Butterfly room.

### What's your occupation?

On 12<sup>th</sup> March one of our parents is bringing in her friend who is a vet and her dog to meet the children and talk all about her occupation!

We have previously had visits from Fire Fighters and the Police but would like other professionals to come in too!

Are you a Chef?

A Lawyer?

A taxi driver?

A nurse?

A bus driver?

A builder?

Pilot or Cabin Crew?

We'd love you to come in and speak to the children about your job – get in touch if you'd like to take part!

### Exciting upcoming events

### Important admin stuff!! 😊

As previously advised, there is a small shortfall in the EYEE funding this period and your funding may run out just before the end of the term. If this causes a problem with paying your March invoice please contact the office and we can arrange to spread any extra cost for you.

The new funding period starts in April. If you want to make any changes to your child's booking please get in touch as soon as possible. We can then get everything in place to ensure you do not lose out on any of your funding entitlement.

*If you are claiming the extended (30 hour) funding please remember to re-confirm your entitlement when necessary and let Louise know your new end date. Thank you.*

Have you got a query with your invoice, want your monthly invoice emailed or just do not quite understand it??!!! Get in contact with the office as soon as possible and we will sort it for you.

**TOP TIP!!** Now the cold weather is here you may have trouble getting the fingerprint reader to respond - breathe on you finger before placing it on the reader and it should respond quicker! 😊
